MEMORANDUM FOR THE RECORD

SUBJECT: Addendum to Conversation with the Deputy
Secretary of Defense, 27 September 1979

25X1

1. Secretary Brown has agreed reluctantly to our not moving into the Pentagon. Go ahead and cancel the funding.

a. I am to provide him with a memorandum describing what we will do in terms of substitute presence in the Pentagon--my proposal to send NITOs over from time to time to spend a day or two in the Pentagon using my temporary office there and rehearsing the kind of turnover. I want a proposal made that is very concrete as to how often, how long they'll stay, how many people.

b. The same memo should also request that we be assigned the space in the NMIC.

2. All portions are Confidential.
